Volkswagen is now offering a navigation system with an integrated 8-inch color TFT screen in the new Volkswagen Cd Navigations. The system uses high-resolution graphics to provide a three-dimensional depiction of your surroundings; it also has intuitive voice recognition, which can help you access lists of destinations and symbols for each. Before you buy your next car, make sure you know what features are available! This article will help inform you on some of the coolest features offered by Volkswagen's latest generation.

Write an introduction to an informative and factual blog post titled "How Social Media Catalyzed Turkey's Economic Turmoil". Write a post on your new blog on youtube.com on how to fix the "missing channel" problem that some users have been encountering on youtube. A short essay on being positive even in dark times.
